Gary,

As we discussed earlier today, we are in the process of making arrangements for the disposal of 50 cu yd. of fiberglass insulation. The fiberglass is demolition debris from Tanks 20 and 24. We have classified the fiberglass as Class II non-hazardous waste. We plan to ship the waste to BFI's El Centro Landfill in Robstown, TX.

Below is the information that you have requested:

MSW Permit #2267
BFI's El Centro Landfill
3189 CR 69
Robstown TX 78380
cell: 361.947.3663
fax: 480.718.4144
landfill 361.767.7905

Please contact me if you have any questions.
Alonzo G. Arredondo
